

PRODUCT PROFILE

TRAILER BRITE™

FORMULA 355

Heavy Duty Vehicle Presoak

DESCRIPTION

Trailer Brite™ is a superb liquid cleaner formulated for car, truck, and bus washing. This unique blend of builders, chelators, and surfactants quickly penetrates and removes tough road soils. Trailer Brite™ is ideal for removing tough road film from cars, trucks & trailers, heavy equipment, fleet vehicles, or any other surface that needs a tough cleaner. It is non-flammable, non-phosphate, and biodegradable.

AT A GLANCE

- > **Gentle enough for automobiles, tough enough for trucks & Trailers.**
- > **Concentrated for economical use.**
- > **Excellent rinsing properties.**
- > **Safe on painted surfaces.**

APPLICATIONS

Automatic Carwashes
Self-Serve Carwashes
Tunnel Carwashes

Truck Washing
Fleet and Equipment Washing

RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
