FORMULA 9140

Sample Label

**DIRECTIONS:**  
For auto washes: Set metering pump to dispense chemical at 64:1 up to 128:1. The concentration is necessary with time of year and soil load.

**DESCRIPTION:**  
Our best selling eco-friendly car wash detergent. It is exceptional at removing tough road film while generous foam gives a great show.

**INGREDIENTS:**  
Water, Conditioning Agents, A Proprietary Blend of Surfactants, 2-Butoxyethanol.

**WARNING:**  
Caution!! Irritant!! May cause severe eye irritation upon direct eye contact. Prolonged or repeated skin contact may cause reddening and irritation. Inhalation of mist may irritate nose, throat and mucous membranes. Ingestion can irritate or burn mouth, throat and stomach. Wear proper protective clothing when handling.

**FIRST AID:**  
Eyes: Flush with water for 15 minutes and get medical attention if irritation persists. Skin: Flush thoroughly with water. Inhalation: Remove patient to fresh air. Ingestion: Dilute by drinking 2 large glasses of water. Consult a physician immediately.

## RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
